KME
air conditioning services

KME For Ventilation industries

As specialists in Electro-Mechanical systems and their Design, Build and Manage **KME Group** effectively plans and designs solutions that fulfill project requirements while minimizing operational costs. The firm vast experience and diverse capabilities in this field assures each project is properly planned when completed.

Ingeneral, the Services offered by the firm are identified as follows

1. Electromechanical contracting by KME for Electromechanical contracting service
2. Project Management and Value Engineering by KME for Electromechanical contracting service
3. Electromechanical supplying and maintenance by KME for Electromechanical supplying and maintenance
4. Ventilation by KME for Ventilation System

Electromechanical contracting which include the followings

- Heating, Ventilation and Air Conditioning (HVAC) System Work
- Plumbing System Work
- Fire Fighting System Work
- Electrical and Low Current System Work

Project Management which include the followings

- Project quality control
- Approval of shop drawings and material submittals
- Monitor project costs

Electromechanical supplying and maintenance that KME has been dealers with Miraco Carrier brand in supplying the followings

Centralized Equipment: Chillers, AHU, FCU, VRF and Package Unit

Residential Equipment: Split Units.

Important accomplished projects

Faculty of medicine - Nahda University (2018)

-Total Built Up area 22000 sq.mt

-Scope of work

Mechanical and electrical contracting works

- with a budget of up to 26 million.

Main restaurant, Lake restaurant (2019)

-Total Built Up area 2200 sq.mt

-Scope of work

Mechanical and electrical contracting works

- with a budget of up to 4.2 million .

Fire fighting (infrastructure)(2020)

-Total Built Up area 2200 sq.mt

-Scope of work

All piping HDPE and seamless Pipe
with 4200 meters around buildings
included 60 fire hydrant , 40 fire hose cabinet,
150 non rising valve and main fire pump station 1250 gpm

- wtih a budget of up to 36 million.

Important accomplished projects

Faculty of Fine arts Nahda University (2022)

-Total Built up area 12000 sq.mt

-Scope of work

Mechanical and electrical Contracting works

-With a budget of up to 52 million

Faculty of Nursing Nahda University(2026)

-Total Built up area 10000 sq.mt

-Scope of work

Mechanical and electrical Contracting works

-With a budget of up to 52 million

Important accomplished projects

Memphis University (2026)

-Faculty of Medicine
-Infrastructure
-Free zone

-Total Built up area 48000 sq.mt
-Scope of work
Mechanical and electrical Contracting works
-with a budget of up to 122 million

Badya University (2026)

-Total Built up area 17000 sq.mt
-Scope of work
Mechanical and electrical Contracting works
-with a budget of up to 12 million

Important accomplished projects

Majarrah-Mall (Twelve Mall)

Finishing of many spaces in the mall

- Scope of work

Mechanical and electrical work

- with a budget of 45 million.

Cairo festival City mall

Finishing of many spaces in the mall like (Amazon - AL Futtaim - Debite)

- Scope of work

Mechanical and electrical work.

- with a budget of 136 million.

كايرو فستيفال سيتي مول
Cairo Festival City Mall

Important accomplished projects

Port ghalib - Alkhurafe Groub (2022)
(Residenttial and hotel building)
- Scope of work
HVAC work (DX system)
- with a budget of 10 million.

مجموعة الخرافي
AL-KHARAFI GROUP

Port ghalib - Alkhurafe Groub (2023)
Raise efficiency of district water chillre's coold.
- Scope of work
install of two water cooled chillers with all network and valves
- with a budget of 46 million.

Important accomplished projects

Lamp's Factory (Elsewedy Electric) (2025)

-Total Built up area 12000 sq.mt

-Scope of work

Mechanical and electrical Contracting works

-with a budget of up to 39 million

Store 74000 m² (Elsewedy Electric) (2026)

-Total Built up area 74000 sq.mt

-Scope of work

Mechanical and electrical Contracting works

-with a budget of up to 146 million

Important accomplished projects

KB's (2026)
Main Contractor

-Total Built up area 2600 sq.mt

-Scope of work

Mechanical and electrical Contracting works

-with a budget of up to 54 million

Al-Orman (2024)

جمعية الأورمان

-Total Built up area 36000 sq.mt

-Scope of work

Mechanical and electrical Contracting works

-with a budget of up to 82 million

List of Company Projects:
